LOC-BLOC

The Loc-Bloc system allows for a quick and efficient construction of walls for a variety of uses. The ability to be removed and rebuilt makes them suitable for permanent or temporary applications.

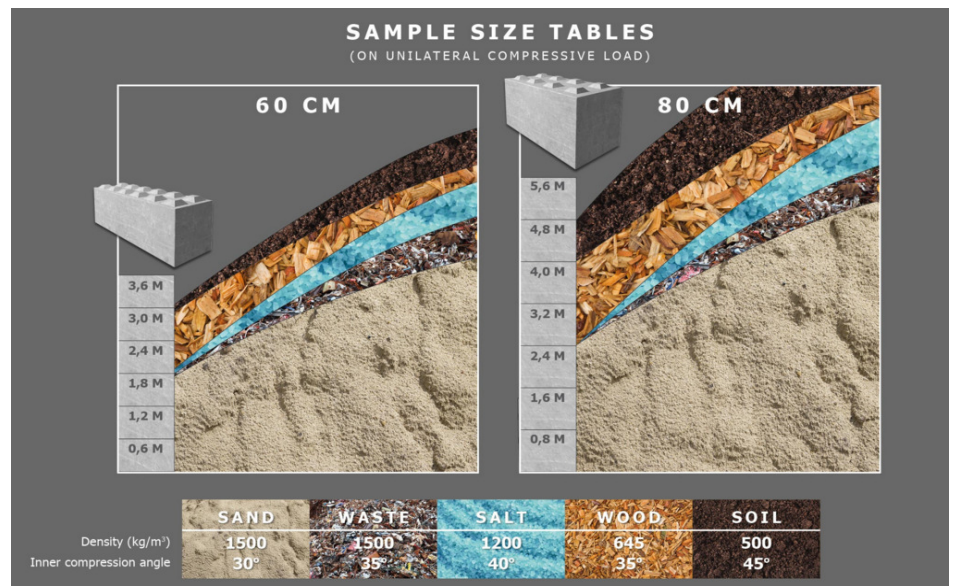

The Loc-Bloc is manufactured to BS EN Standards from high strength concrete, with a cast in lift point for safe and easy handling. The free standing dry bonded system offers quick installation with no special foundation requirements meaning walls can be built on any solid level surface.

Great Yarmouth and Dundee branches stock standard size blocks allowing for a fast turnaround from order to delivery.

	 60 x 60cm	 80 x 80cm
	60cm / 520Kgs	80cm / 1230Kgs
	90cm / 780Kgs	120cm / 1850Kgs
	120cm / 1040Kgs	160cm / 2460Kgs
	150cm / 1300Kgs	N/A
	180cm / 1560Kgs	N/A
